WILSON BARRIOS

ABOUT ME

I'm Wilson Barrios, a dedicated Interaction and UX/UI Designer passionate about crafting immersive user experiences. With a background in industrial design and hands-on experience in graphic and web design, I understand the critical balance between aesthetics and functionality. My approach centers on creating captivating and purposeful designs that prioritize the user's needs and expectations, ensuring seamless interactions and meaningful engagements.

EDUCATION

MFA Interaction & UI/UX Design
Academy of Art University San Francisco
San Francisco - CA Fall 2021

BA in Industrial Design
Industrial University of Santander
Bucaramanga - Colombia

EXPERIENCE

Wipro (June 2023 - Present)
Sr. UX / UI DESIGNER
At Wipro, I am actively engaged in collaborating with United Health Group, where I specialize in optimizing User Experiences for the Mental Health division through the utilization of the OPTUM product.
(Skills: Figma, Design Systems, Aha, Teams)

INCORTA (Aug - Nov 2022)
Sr. UI/UX DESIGNER
I collaborated with a team to develop a design system adhering to INCORTA brand guidelines. Additionally, I led the UI design for new Sign In pages, integrating them with Auth0 and implementing strong error handling pages.
(Skills: Sketch, Figma, Design Systems, After Effects, Jira, Photoshop)

7 Eleven (Feb - July 2022)
Sr. UX DESIGNER
I collaborated with a team of researchers, UX architects, and product managers to design the UX/UI and data visualization aspects of an IoT dashboard for sensors, devices, and gateways in 7-Eleven's cashless stores project.
(Skills: Sketch, Figma, Design Systems, Miro, Invision, Jira)

Young & Hungry (Feb - May 2021)
UX DESIGNER
I had the opportunity to design AR experiences for the "We Are Bruce Lee" exhibition hosted by the Chinese Historical Society of America (CHSA) museum in San Francisco.
(Skills: Sketch, Figma, After Effects, 8th Wall, Adobe Aero)

**Wire B Graphics (2014 - 2021)**
UX DESIGNER / WEB DESIGNER
I have experience in creating user-centered website designs for small businesses located in the San Francisco Bay Area.
(Skills: Sketch, Figma, Design Systems, Miro, Invision, Jira, CMS)
